

WOOD RIVER TIMES

HAILEY, IDAHO.

THURSDAY, SEPTEMBER 30, 1886.

A CANDID CONFESSION.

There are no anti-Mormon Democrats in the Territory. * * True Democrats are not anti-Mormons. * * The only anti-Mormon newspapers and anti-Mormon politicians are Republicans, and Democrats should give them a wide berth.—From the Southern Idaho Independent (a Mormon Church organ).

—The TIMES's interest is that of its community. Therefore it advocates low taxes, retrenchment and reform, and good men for local offices, irrespective of party affiliation. This is not said to "define" the TIMES's position, as it does not need to be defined. Any intelligent person who has read this paper knows that that has been its position from its first issue. It will continue to be the same so long as the present publisher exists.

—If candidates for office will pay cash for their work, they will be ably served and fairly treated. If they propose to "bum" their work, they can favor some other office. The TIMES's books are crowded with long overdue accounts, and the office cannot be run with them.

—Unless the Democrats uphold the validity of the test oath law, and pledge their nominees to retrenchment and reform, they will have no show during the coming campaign in this county.

—The county expenses must be reduced 50 per cent. The idea of such a rich and growing county as this running in debt at the rate of \$50,000 or more annually!

—It takes cash to satisfy creditors; hence the TIMES must have cash for its work.

The Fitz-John Porter Balloon.

The Atlanta Constitution gives a new version of the oft-mentioned experience of Fitz-John Porter in a balloon during the Peninsular campaign, and adds such tremendous brass ornaments as to call forth the following from the Dayton Journal:

"All utter, blanked nonsense. We saw that balloon sailing high, and saw it come down. It had been up repeatedly before about 1200 feet, anchored solidly; but on this occasion, in the afternoon, while Porter was up reconnoitering the rebels in Yorktown, from the east side of Wormsley creek, it got away but never crossed the Union lines. Porter, very much alarmed, pulled the valve too hard, and the balloon came down in a heap in Brigadier-General W. W. Burn's camp, at the headquarters of a squad of sharpshooters, about 200 yards from Burn's marquee. Burns and the rest of us rushed out to see what was the matter, and when Porter was released from his entanglement he quickly asked, 'Are there any newspaper men around here?' and begged 'for God's sake to say nothing about it.' He went with Burns to his quarters, told his story, took a drink of whisky and was sent back to his camp on Burn's horse, with an orderly to accompany him. There has been a deal of nonsense printed about this incident, but this is the plain fact. The balloon was never within Parrott gun shot of the rebel lines after it started, and, of course, there wasn't a rifle in the rebel army that could reach it. But it was a ticklish position, nevertheless, for a man who did not know how to manage a balloon."

Most Excellent.

J. J. Atkins, Chief of Police, Knoxville, Tenn., writes: "My family and I are beneficiaries of your most excellent medicine, Dr. King's New Discovery for consumption; having found it to be all that you claim for it, desire to testify to its virtue. My friends to whom I have recommended it, praise it for every opportunity." Dr. King's New Discovery for consumption is guaranteed to cure coughs, colds, bronchitis, asthma, croup and every affection of throat, chest and lungs. Trial bottles free at J. A. Rupert's drug store. Large size \$1.00.

Life becomes almost a burden when the body is racked with the suffering which arises from Scurfula. If any taint of this disease lurks in your blood, Ayer's Sarsaparilla will expel it. The entire system may be thoroughly renovated by taking this medicine.

Mrs. Gen. Augustus Wilson, of Parsons, Kan., who was appointed by the State of Kansas as a commissioner to the World's Fair at New Orleans, in answer to the inquiry of a reporter, said: "I cannot speak too highly of Dr. F. J. Turner's Treatment. My sufferings nearly distracted me. My stomach was deranged, and my nervous system was completely broken. I suffered from partial paralysis, rheumatism and neuralgia. Added to the above symptoms, were loss of memory, voice, appetite, and lack of nerve force. My family physician did me no good, and by the advice of a friend, I bought Dr. F. J. Turner's Treatment. Two packages completely cured me. I think the treatment is wonderful in its effects, and recommend it in all cases of general or nervous debility, and disordered condition of the stomach, kidneys, liver and blood."

To the Women.

Young or old, if you are suffering from general debility of the system, headache, backache, pain in one or both sides, general lassitude, bearing-down pains in the abdomen, flashes of heat, palpitation of the heart, smothering in the breast, fainting sensations, nervous debility, coughing, neuralgia, wakefulness, loss of power, memory and appetite, weakness of a private nature or barrenness, we will guarantee to cure you with from 1 to 3 packages of the treatment. As a sterile tonic it has no equal.

Young, middle-aged and old, single or married. It is a sure cure for dyspepsia, malaria, nervous or general debility, nervous prostration resulting from indiscretions of youth or excess of mature years, or over-work of the brain, and it has no equal for curing all forms of nervousness and bashfulness, caused by over-indulgence, excess or impudence. It has been used successfully in thousands of cases by both men and women, and is the best medicine known for the relief of the procreative powers and restoring vitality. We will guarantee that three packages will cure the worst case of debility, causing dimness of sight, defective memory, aversion to society, want of ambition, loss of power, etc. Each package of Turner's Treatment contains all medicines necessary for over one month's treatment, with full and complete instructions how to exercise, diet, baths, etc. One box cures catarrh.

PRICE: Turner's Treatment, per package, \$1; three packages \$2, sent prepaid on receipt of price. Thousands of cases of diseases mentioned above have been cured with one package, and knowing as we do its wonderful curative effects, the treatment having been used in private practice for three years, and accompanied by \$2, we will send our written guarantee to refund the money if the TREATMENT does not effect a cure. Send money by postal note at our risk. Address: E. J. Blake & Co., 81st and Market streets, St. Louis, Mo.
